#### **Apartment Three bedroom**

# Layout Three bedroom

We offer you charming apartments in an Art Nouveau building with ornate facades in Prague's Vršovice. The project of this attractive corner building from the second half of the 19th century has undergone a sensitive reconstruction. You can choose from 30 apartments with layouts ranging from 1+kk to 4+kk across eight floors. The apartments are characterized by clean lines, generous space, and sophisticated design that emphasize comfort and practicality of living.

This elegant attic apartment with a three bedroom layout is located on the sixth and seventh floors. The lower part of the apartment includes 2 bedrooms, a children's room or study, a separate toilet, a shared bathroom, and a spacious hall. An impressive steel staircase leads to the upper floor, which features a spacious living room with a kitchenette, dining area, and access to a 16 m² terrace inviting relaxation. The apartment also includes a cellar space.

The standards include carefully selected materials - wooden floors, tiles with marble and stone imitations, ceramic bathroom fixtures, and wooden or full-glass interior doors.

Vršovice was once an ancient village and today is among the most sought-after Prague locales. The surroundings offer pleasant restaurants, bistros, and cafes, many schools and kindergartens, medical offices, authorities, shops, the Eden shopping center, and the impressive Grébovka park, which is among the few preserved Prague vineyards. A pleasant walk can take you to Jiřího z Poděbrad Square, where farmer's markets are regularly held. Surrounded by the unobtrusive elegance of one of Prague's most popular districts, this residence will charm you with a connection of past charm and the comfort of modern living in the wider center of Prague.
