Entering the apartment leads you through a spacious hall, serving as a gateway to all independent rooms: living room with kitchen, master bedroom, another bedroom or study, bathroom, separate guest WC, and pantry.

The central room here is a spacious and tastefully furnished living room with a dining area and a fully equipped kitchen, plus access to a long balcony with a view of Prague Castle. In the cozy bedroom, you'll find not only a comfortable double bed, bedside tables, a custom-made wardrobe, but also access to a loggia, this time overlooking Winston Churchill Square. The apartment's owners have intentionally left one room unfurnished to allow for its wider use by new tenants.

Most surfaces in the apartment are made of natural materials: oak floors in the rooms and hallway, large-format tiles on the bathroom floors, and custom-made wooden furniture. All rooms are air-conditioned, with external blinds or roller shutters for shading.
